SUMMARY

B.Tech IT graduate with a strong interest in software development and problem-solving with hands-on experience through academic projects using modern technologies. Quick learner with good analytical and teamwork skills, seeking an opportunity to start a career in a growth-oriented organization.

SKILLS

Languages: Python, C, Java, JavaScript

Technologies & Tools: React.js, Node.js, Express.js, Flutter, Git, VS Code, Android Studio, REST APIs (Basic), Data Structures, OOP concepts

Databases: MySQL, PostgreSQL, DBMS, SQLite, PostgreSQL, Supabase

Soft Skills: Communication, Analytical Thinking, Problem Solving, Teamwork, Leadership

PROJECTS

Mini ERP System - Offline-First ERP Management System

Developed a full-stack Mini ERP system for managing products, customers, inventory, and sales operations with online and offline functionality. Implemented an offline-first architecture using SQLite for local storage and Supabase PostgreSQL for cloud synchronization. Built a responsive dashboard with sales analytics, product expiry notifications, and REST APIs for inventory management, automatic stock reduction, and invoice generation.

Farming Assistant Web Service – Agricultural Platform

Built a web platform using HTML, CSS, PHP, and MySQL for farmers to access crop data, market prices, and raise complaints, enabling direct interaction with suppliers and reducing dependency on third parties.

Smart Admission Chatbot for College

Developed a Python-based chatbot using NLP to automate admission-related queries, providing instant responses on courses, eligibility, and fees, improving communication efficiency.

INTERNSHIP EXPERIENCE

Web Development Intern – SkillCraft Technologies (June – July 2025)

Designed and developed a responsive portfolio website using HTML, CSS, and JavaScript, implementing interactive UI components, smooth navigation, and user-friendly layouts.

CERTIFICATIONS

The Joy of Computing Using Python – NPTEL (Oct 2024)

Data Visualization: Empowering Business with Effective Insights – **TATA** Group (June 2025)

GenAI Job Simulation – **BCG** (June 2025)
